ENROLMENT POLICY

August 2020

| ENROLMENTS

Newtown High School of the Performing Arts is a specialist school catering for students who are gifted in the areas of Dance, Drama, Music and the Creative Arts. Students wishing to apply for enrolment to the school may do so as a local student or as an auditioned student. Local students are encouraged to audition in their preferred discipline(s). Given the purpose and focus of the school and the fact that demand for places is greater than available places, non-local enrolments are solely at the discretion of the school.

All students must complete an [Application to Enrol in a NSW Government School](#) which is available from the school and the Department of Education website.

NOTE: Only original documents will be accepted as proof of address evidence. In some cases additional evidence as specified by the Principal may also be required.

ENROLMENT OF PERFORMING ARTS STUDENTS

Applicants may audition for entry into the school in Year 7 and Year 11.

Each audition is assessed on its own merits. **The decision of the audition panel is final and no appeal can be made except on procedure.** Information on individual student's performance in their audition will not be given. The purpose of the audition is for the school to select the best and most suitable students as assessed by the panel based on the stated criteria. These are the conditions under which students and parents/carers must agree to when applying to audition.

The general criteria on which students will be assessed are:

- the ability to work independently and cooperatively
